S. Robert Powell

Carbondale Historical Society

P.O. Box 151

Carbondale, Penna. 18407

Dear Mr. Powell:

THANK YOU! For the complimentary copy of the 1983 "Carbondale Calendar".

The calendar is on display in the foyer of the Salem Forest Fire Crew headquarters located in the Old Crane Armory building. Also on display with the calendar are six unissued Luzerne County (184_) treasury script, a 1901 commemorative sketch book from Carbondale, a 1920's "Carbondale Today", and a few other historical items of Carbondale history.

From time to time we put on additional historic memorabilia displays primarily centered around the coin collecting hobby and historical items which have found their way into the Carbondale area.

I am hoping that one day a small museum will be opened in Carbondale (the old Post Office would be nice). I would be very disappointed if the City purchased the building and left it to deteriorate like they did the Old Armory or the M.M. Bank building.

Nothing is impossible in Carbondale, it just takes a little more time to do.

Again, Thank You, for the Carbondale Calendar.

Sincerely yours,

Robert Evancho

Robert Evancho
